

R.S.P.COLLEGE, JHARIA(Belagaria)
Department of Botany

Semester III Internal Examination, 2021

Paper: C-VI Economic Botany

F.M.= 15

Section A

Choose the correct Answer

[15 x 1 = 15]

1. The original home of Rice is

- (A) South-West Asia
- (B) South-East Asia
- (C) Mediterranean
- (D) China

Answer: (B)South-East Asia

2. The centre of origin of Wheat is

- (A) South-West Asia
- (B) South-East Asia
- (C) Asia Minor and Afghanistan
- (D) Mexico

Answer: (A)South-West Asia

3. Cereals belong to family

- (A) Cruciferae

(B) Leguminosae

(C) Solanaceae

(D) Gramineae

Answer: (D)Gramineae

4. Major cereals are

(A) Barley, Rye and Maize

(B) Rye, Barley and Wheat

(C) Millets, Wheat and Rice

(D) Rice, Wheat and Maize

Answer: (D)Rice, Wheat and Maize

5. Cereal crop of temperate areas is

(A) Rice

(B) Wheat

(C) Maize

(D) Jowar

Answer: (B) Wheat

6. Richest source of carbohydrate is

(A) Maize

(B) Wheat

(C) Barley

(D) Rice

Answer: (D) Rice

7. Cereals are

(A) Biennials

(B) Annuals

(C) Perennials

(D) None of the above

Answer: (B) Annuals

8. Botanical name of Rice is

(A) *Pennisetum typhoides*

(B) *Aloe vera*

(C) *Oryza sativa*

(D) *Zea mays*

Answer: (C) *Oryza sativa*
